

SMS Terms & Conditions

Effective Date: August 25, 2026

These SMS Terms & Conditions apply to text messages sent by Anchor Fence Wholesale Corp. ("Anchor Fence Wholesale," "Anchor," "we," "us," or "our").

1. SMS Program

Anchor Fence Wholesale offers an optional text-messaging program to provide customer-service assistance.

The program is intended for customer-service communications such as:

- Fence material and product questions
- Quote inquiries
- Product availability
- Existing order questions
- Pickup or delivery information
- Other customer-service requests

The program described here is **not an enrollment in promotional or marketing text messages**.

2. How You Opt In

Customers may opt in through Anchor Fence Wholesale's after-hours telephone system.

When calling Anchor Fence Wholesale outside normal business hours, a caller may hear an automated message offering the option to continue the inquiry through SMS.

The caller must affirmatively select the SMS option, such as by pressing **1**, before Anchor Fence Wholesale sends the first text message.

The text message is sent to the same telephone number from which the customer initiated the inbound call.

If the caller does not affirmatively select the SMS option, the caller is not enrolled in the SMS program through that call.

Consent to receive text messages is voluntary and is not a condition of purchasing any goods or services.

3. Message Frequency

Message frequency varies depending on the customer's inquiry and conversation.

Anchor Fence Wholesale does not guarantee a specific number of messages.

4. Message and Data Rates

Message and data rates may apply.

Your wireless carrier's standard messaging and data charges may apply to messages sent or received through the program.

5. How to Opt Out

You may cancel SMS communications at any time by replying:

STOP

After an opt-out request, Anchor Fence Wholesale will stop sending text messages covered by that consent in accordance with applicable requirements.

You may also communicate a request to stop receiving messages through another reasonable method.

A final non-promotional confirmation message may be sent to confirm that your opt-out request has been processed.
