

Midwest Tube Mills, Inc.

## Your Source for Quality Steel Pipe and Tubing

**Midwest Tube Mills** is a leading manufacturer of high quality steel tubing for the high security, industrial/commercial, residential and mechanical markets.

We manufacture our fully-galvanized products in a variety of gauges, diameters, and lengths (40'+) to meet demanding industry standards and superior corrosion resistance. MT 40 is also available with swaged top rail.

You'll find our tubing in:

- Chain Link Fences
- Pet Kennels
- Playgrounds
- Security Partitions
- Conveyor Rollers
- Greenhouses
- Parks
- Truss Systems

## All Tubing Available in: GALVANIZED

### Specifications for Polyester and Polyolefin Elastomer Powder Coating per ASTM F1043

**Polyester** *Thickness:* 3 mils  
*Adhesion:* Compliance with cross hatch test ASTM D3359-B  
*Color:* ASTM F934  
*Gloss:* (60°) 60 - 70, ASTM D523

**Polyolefin** *Thickness:* 10mils  
*Pencil Hardness:* 2H, ASTM D3363  
*Impact:* 160+ Inch Pounds, ASTM D2794  
*Color:* ASTM F934  
*Adhesion:* Compliance to ASTM F1043 8.1.2.1  
*Weathering:* Weatherometer 1000 hours, ASTM D1499

**Midwest Tube Mills quality ensures that all fence framework meets and exceeds ASTM F1043**

**MT40 and MT 30 framework meets and exceeds ASTM F1043 "Standard Specification for Strength and Protective Coatings on Steel Industrial Chain Link Fence Framework"**

- Midwest Tube Mills' 3 mil Polyester and 10 mil Polyolefin Powder Coat meets or exceeds the coating requirements of ASTM F1043 "Standard Specification for Strength and Protective Coatings on Steel Industrial Chain Link Fence Framework".
- Our Polyester and Polyolefin Powder Coat - Brown, Green and Black colors are in compliance with ASTM F934 "Standard Specification for Standard Colors for Polymer-Coated Chain Link Fence Material".
- Powder Coat Color is available on our MT 40, MT 30, MT 20, MT 15 and all other tubing we supply.
