

Midwest Tube Mills, Inc.

MTS Shapes

> Mechanical and Ornamental

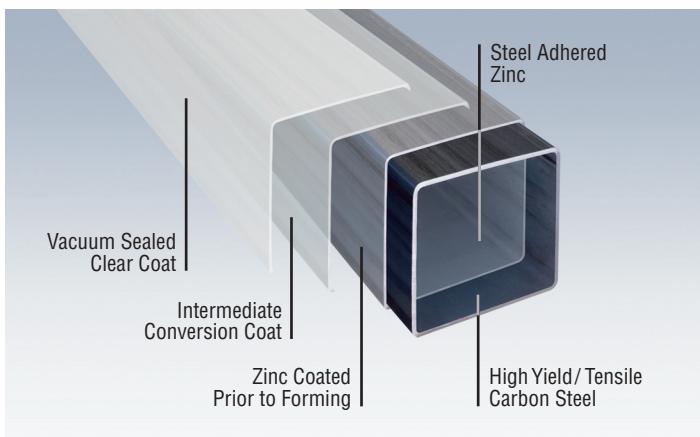

In addition to round pipe and tubing, **MIDWEST TUBE MILLS** manufacturers square and rectangular framework for ornamental fencing and other mechanical applications including carports, greenhouses, ornamental fence and other outdoor applications

Triple Layer Coating - Our shaped tubing features the identical triple layer coating process of our MT series products. A triple layer of OD corrosion protection consisting of a zinc bath, an intermediate conversion coat and a clear vacuum sealed top coat is then added to provide maximum protection and durability. The ID is zinc coated prior to forming.

Square Tubing - is available in gauges ranging from 12 to 18 with sizes ranging from 2" to 2.50". All square material conforms to ASTM F2408-09, Standard Specification for Ornamental Fences Employing Galvanized Steel Tubular Pickets 5.1 and 5.1.1.

Rectangular Tubing - is available in gauges ranging from 12 to 18 with sizes ranging from 1 x 2" to 2 x 3".

Colors-Custom color coating is available on all of square/rectangular tubing products using our state-of-the-art inline polyester coating and light mil polyolefin process.

Made in U.S.A. - All Square/Rectangular tubing product from Midwest Tube Mills is manufactured in the USA meeting Buy America(n) requirements.

Available in Polyester and light mill Polyolefin Color Coat.
